

INVOLVEMENT LIST FOR FRIENDS

Following is a list of activities where help will be needed. We stress the fact that no one person is expected to be responsible for everything: we are keen to bring together small groups of people to work on a particular, 'one-off' project.

NEWSLETTER

Contributing/collating editorial, typing it, emailing it, printing it, stuffing and labelling, distribution. DMGT Vice President and Press Officer, David Edwards, is very ready to work with all volunteer s.

MAINTAINING THE FRIENDS' DATABASE

This is currently held on an Excel file. Could you produce labels for the Newsletter?

ORGANISING ACTIVITIES

This heading can cover any area, activity or part of the activity you wish, from organising a coffee morning or baking cakes and potting up plants to sell at it.

Raffles, lunches, quiz evenings, trips to places of interest, walks, lectures: these are all things we have staged in the past, but Friends may wish to suggest activities aimed at younger supporters, such as a Teddy Bears' Picnic on the Green, a Woodland Walk for under-10s, or a Musical event for teenagers! Or anything within your sphere of interest!

CREATING AND DISTRIBUTING POSTERS ADVERTISING EVENTS

One person could work with the Event Organiser, to produce posters for each event
Several others could help distribute these, via email as well as physically.

COMMUNICATING WITH THE LOCAL PAPERS AND RADIO

DMGT Vice President and Press Officer, David Edwards, is very ready to work with all volunteers.

TAKING PHOTOS OF 'ACTIVITIES' FOR THE WEB AND THE PRESS

Local papers are keen to use photos of local events. Can you take a photo on a digital camera and send it to Trustee David Marshall for inclusion on the web and in press releases?

DAY TO DAY NEEDS

MAINTAINING THE GREEN

Volunteer Groups meet at 10.00 am on the Green on the first Sunday of every month, to dig, hoe, weed and plant. Under the expert guidance of Plantswoman Jenny, aka Friend of the Mill on the Green, Jenny Marshall, flowerbeds and trees flourish. Could you join this Group?
Picking up litter: could you do this instinctively every time you walk on the Green?

SPREAD THE WORD

Dinham Millennium Green is a magical place. Bring your friends and family to feed the ducks or sit in the sun. Invite them to become Friends of the Mill on the Green.
